May 22nd, 2024

Request for Noise By-Law Exemption

The "Jays" (Espanola Men's Baseball team) would like to continue to run the Annual Mixed Baseball Tournament in Espanola. We've had several successful years and want to continue to have many more.

We would like to Request for Noise By-Law Exemption for Friday August 09th, 2024, for the Homerun competition until 1am and for Saturday August 10th, 2024, until 2 am for our Live Band at the pavilion. The band/DJ will start at approximately 8:00pm and will continue until 2:00am.

Please be aware that we are very conscientious of the rules of the liquor licence, and we have many safety practices in place. There will be designated security, monitored exits, snow fencing around the perimeter for a boundary, (done by Town) and the checking of identification.

We hope the tradition of this event can continue for many years to come.
