

SCHEDULE D

Notice of Motion of Agenda submitted by Council Members

All motions need to be accurate, clear as to their purpose, and accompanied by the necessary relevant background information to help inform Council decisions. All Motions being added to a council agenda need adequate time to allow Council to properly reflect on a motion by reviewing proposed changes, asking questions, seeking additional information, and understanding the rationale of motions.

The Clerk and Council Members are expected to proactively work together towards a completed motion submission for an addition to the Council Agenda.
